

AYRSHIRE COMPANY IN RUNNING FOR TOP BUSINESS AWARD

An innovative Ayrshire business will line up alongside some of the UK's most successful companies as it competes for a leading accolade.

Culzean Textiles Solutions Ltd, which is based in Stewarton, won Scotland's Achievement in International Business Award, sponsored by DHL Express.

The business, which manufactures and develops medical and industrial fabrics, is now a finalist in its category for the UK title in the Chamber Awards hosted by the British Chambers of Commerce, which were created to celebrate the UK's most successful businesses.

John Longworth, Director General of the British Chambers of Commerce, said: "The health of the UK's economy relies upon the confidence of our businesses to grow, invest and create jobs. That's why the British Chambers of Commerce has been working hard to ensure government makes good on its promises to encourage enterprise, and do everything in its power to help businesses grow.

"All the good things we want to see in society depend on business and wealth creation. These awards provide a snapshot of some of the most impressive companies from across the country. Many of these business owners are working day in day out to build upon the companies they have built from scratch, creating jobs in local communities, and contributing to the economic recovery we so desperately need. We're delighted to be able to celebrate the success of these companies through the Chamber Awards."

Culzean Textiles provides innovative solutions to the textile element of any project, working with a variety of industries such as Aerospace, Automotive, Medical, Marine, Furniture and Civil Engineering. During the last three years it has won business in a wide range of countries such as Mexico, Taiwan and Germany and is now focused on developing additional markets, including the US, through trade shows and international advertising.

Having won the main award in Scotland, the company now hopes to pick up the UK title in its category. It also has the chance to collect the **Award for Outstanding Business Achievement** – with a top prize of **£25,000** and runner up prizes of **£15,000** and **£10,000**.
