Innovative Edinburgh company lands Chamber Awards success

The UK's first manufacturer of completely compostable food packaging is proving that 'Business is Good for Britain' after securing a number of major contract wins this year.

Vegware, which is based in Polwarth Crescent in Edinburgh, beat off challengers from across the country to win the Excellence in Innovation Award (sponsored by DHL Express) at the Chamber Awards 2012's Scottish heats.

The company's products are all plastic-free and low-carbon, including hot cup lids, double-wall cups, soup containers, high heat cutlery and glassine window bags.

It has already convinced a number of high profile names to switch to their eco-friendly product, with its customer base ranging from large contract caterers (Compass, Aramark) and food distributors (Brakes, 3663) to the NHS, Government departments and artisan cafes.

President of the British Chambers of Commerce Martyn Pellew said: "There has never been a more important time for businesses to showcase the amazing work they are doing on a day-to-day basis.

"The Chamber Awards is a perfect platform for them to do just that and receive the recognition and profile they deserve for helping move the economy forward and create employment, often in local areas."

The British Chambers of Commerce (BCC) Chamber Awards 2012 is committed to finding the best businesses in Britain through a series of regional heats followed by a National Final, due to be held at London's Guildhall on November 29th.

Now in its 9th year, the competition is one of the showcase events for the 'Business is Good for Britain' campaign that highlights the role of business as a positive force for the UK recovery and the success of local communities and individuals.

Vegware, which is a member of the Edinburgh Chamber of Commerce, is one of six winners in Scotland, who will now go forward and compete for the national titles in their respective categories. All will have a chance to win 'Outstanding Business Achievement' and a £25,000 cash prize, courtesy of the RBS Group.

Other successful companies in the region include:

- Alba Power (Excellence in Customer Service)
- Ayr College (Marketing Campaign of the Year)
- Elan Hair Design (Sustainability Award)
- Entier Limited (Commitment to People Development)
- The Great Turf Company (Business of the Year, Achievement in International Business, Most Promising New Business)

Martyn concluded: “A record number of firms have taken part this year, all determined to prove that ‘Business is Good for Britain!’”

The Chamber Awards 2012 is supported by the RBS Group, BT Business, Dell, DHL Express, Westfield Health and Acua Limited.
